Note: To receive credit for the rank requirement or elective the scout must actually participate in the flag ceremony, skit, campfire, event and/or session. For camp events that are more general in nature and have no direct camp staff supervision it is incumbent on parents and leaders to assess and award credit for the above suggested items (Cub Scout Rank & Elective Requirements). For Webelos Activity Badges, Academic and Sports belt loops/pins (and other camp run sessions); camp staff will be able to validate and document that requirements are met for the session or event they are administering but the Scout must participate in that event.
